Eleventh Body

KEY: INFINITY

How your soul number is calculated

In Tantric Numerology from Kundalini Yoga, your date of birth is read like a map. It gives five numbers, and the first and most personal of them is the soul number.

Your soul number comes from the day of the month you were born. If it is a single digit, that is already your soul number. If it has two digits, you add them together. For a birthday on the 16th that is $1 + 6 = 7$, and for the 25th it is $2 + 5 = 7$. In this system 10 and 11 are not reduced any further, because each of them stands for a body of its own.

Women born on the **11th or 29th** of the month have soul number **11**.

What the soul number shows

The soul number speaks about your relationship with yourself: what moves you from the inside, where you draw strength from when no one is watching, and where you most easily lose yourself when things get hard.

Kundalini Yoga teaches that we are made of ten bodies, ten layers of our being that together form a whole. Each number from 1 to 11 corresponds to one of them. Your soul number shows which body is your inner home, the place you return to when you have lost your way.

Numbers and bodies

1	Soul Body	7	Auric Body
2	Negative Mind	8	Pranic Body
3	Positive Mind	9	Subtle Body
4	Neutral Mind	10	Radiant Body
5	Physical Body	11	Eleventh Body
6	Arcline		

Besides the soul number, your date of birth carries four more numbers: the karma number, the gift number, the destiny number and the path number. Each of them carries the energy of one of these bodies.

11 · Eleventh Body

Do you feel that you carry more than others can see? Are you drawn both to spiritual topics and to very practical things, without fully belonging to either world? Do people tell you after a conversation with you that something clicked for them? That is your eleven.

Eleven is a special number, because it holds all ten bodies within it. In Kundalini Yoga it is the Eleventh Body, the number of mastery, sound and the word. It can express the strength of any of the ten bodies, in the moment it is needed. When the eleven is in balance, you have inner calm, clear words and a presence in which others feel more open and inspired. When it is not, all ten bodies ask for attention at once, and you scatter easily. The key of this number is infinity: when you live this number, what you say and who you are become one.

YOUR QUALITIES

Your words carry weight. When you speak from truth, people listen and something shifts in them. You can put into words what others feel but cannot express.

You can bring opposites together and see the whole. Where others see conflict, you see two parts of the same story, so you easily become a bridge between people who do not understand each other.

WHERE YOUR CHALLENGES AND DIFFICULTIES LIE

The eleven carries a lot, so scatteredness comes easily. Too many things interest you at once, you feel everything, and at the end of the day you do not know what you actually did. Sometimes you feel you do not fully belong anywhere.

The other challenge is looking for answers outside. You go from teacher to teacher, from book to book, hoping someone will finally tell you what is true for you. The truth you are looking for is usually already in you, waiting for you to say it.

IN YOUR RELATIONSHIPS

In relationships it is easy for you to look for confirmation, to ask others what they think of your decisions and wait for someone to understand you completely. Your lesson is to find the truth about yourself within you and to say it clearly and gently.

THE LESSON ASKING TO BE LEARNED

Your lesson is sound and the word: singing, mantra, saying out loud what you feel. And watch how you speak about yourself. With you, the words you repeat about yourself carry special weight.

One small thing for tomorrow

Your answer out loud

Tomorrow morning, before you ask anyone for advice, write down one question that is on your mind, and right below it write what you would answer yourself. Then say that sentence out loud. Your eleven grows stronger through the word, and especially through yours.
